Consisting of a lounge chair, two-seat settee, braided lounge chair, rope lounge chair, rectangular coffee table, square coffee table and a side table, the Riviera collection blends art deco influences with texture play. Available in a variety of color options. Showroom: SAMS G-6033 [sifas.com](http://sifas.com)

#### 2. Company C

The Jackson rug was inspired by the Grand Tetons and Native American weaving patterns. The easy-care polypropylene yarns are softly mottled in shades of classic red and denim blue. Showroom: IHFC M126 [companyc.com](http://companyc.com)

#### 3. Skyline Design

The Bandido seating collection is composed of wide bands of strong and durable woven fibers in a Silver Walnut finish. Made with aluminum, the collection is lightweight and sturdy. Showroom: InterHall 207 [skylinedesign.com](http://skylinedesign.com)

#### 4. Couture Jardin

Done in a light, architectural style, Cuddle features all-weather rope finely knotted over a powder-coated aluminum structure. Couturetex fabrics cover multi-density foam on the cushions. Showroom: InterHall 601 [couturejardin.com](http://couturejardin.com)

FEOLUX is a modern chair designed by Foersom and Hiort-Lorenzen MDD. The Cane-line soft rope makes it ideal for outdoor use in any climate, as it is both temperature- and UV-resistant. Showroom: InterHall 311 [cane-line.com](http://cane-line.com)

#### 6. Fermob U.S.A.

The new Lorette collection is a part of the latest collaboration between designer Frédéric Sofia and Fermob. Inspired by mashrabiya latticework and canework, the chair is shown here in a monogram style and offered in the full Fermob color palette. Showroom: SAMS G-6000A [fermobusa.com](http://fermobusa.com)

#### 7. Watermark Living

The Manchester deep seating collection blends modern simplicity with formal elegance. Designed for outdoor use in any climate, the line has a powder-coated aluminum frame. Showroom: 205 S. Main St. [watermark-living.com](http://watermark-living.com)
